After years as a partner in a larger family law firm, Meredith opened The Law Office of Meredith G. Lewis focusing on Alternative Dispute Resolution. After years of litigation, Meredith experienced firsthand the destruction that can result from traditional litigation. The parties were often left feeling emotionally and financially drained, having used valuable resources towards an end result that did not address the family's unique issues. Having gone through a divorce herself, Meredith decided that working with clients to keep their cases out of court was of the up most importance.

With this shift in her practice, Meredith now specializes in settling cases by way of Mediation, Collaborative Practice or traditional settlement. She has extensive training in Mediation and Collaborative Divorce, and represents or consults with clients utilizing these processes. If a case does unfortunately fall out of Mediation or negotiation, Meredith's team is there to advocate for a client in court.

Meredith has had the honor of being selected as a "Top Family Law Attorney" in 2013 by the San Diego Daily Transcript, was honored as a Top Lawyer in San Diego by San Diego Magazine in March, 2013, 2014, 2015 and 2016 and was nominated for the Women of Influence Awards in 2016.
